EXERCISE AND GRECIAN BEAUTY WHAT IT MEANS

Many thousands of women are now-a-days paying attention to physical culture and the proper exercise of their body muscles, where 20 years ago or 50 years ago there was no thought expended on this science, which is quite necessary to physical beauty. The reason the Greeks, both men and women, excelled in beautiful and symmetrical forms was because of the attention they paid to the proper exercise. Then, too, they were untrammelled by corsets, shoes and the inconveniences of clothing. To the minds of some women the idea of physical exercise conveys only the idea of hard fatiguing work. Mild exercise continued day after day is best for the body and spirits and health. Without proper exercise there can be no health, and without health there can be no real beauty.

There is no stronger proof of the sound remedial value of Dr. Pierce's Favorite Prescription than that it restores the wasted form to its wonted roundness. The mighty restorative power of Dr. Pierce's Favorite Prescription speedily causes all womanly troubles to disappear—compels the organs to properly perform their natural functions, corrects displacements, overcomes irregularities, removes pain and misery at certain times and brings back health and strength to nervous, irritable and exhausted women. It is a wonderful prescription prepared only from Nature's roots with glycerine, with no alcohol to falsify its stimulus. It banishes pain, headache, backache, low spirits, hot flashes, dragging-down sensations, worry and sleeplessness surely and without loss of time.

Sick women are invited to consult Dr. Pierce, by letter, free. Address Dr. Pierce, Invalids' Hotel, Buffalo, N. Y. (Adv.)

BALLOT RECOUNT IS BEING TALKED

SOME OF DEFEATED CANDIDATES
FOR COMMISSIONER DISCUSS-
ING THIS MOVE.

Make Numerous Accusations in Re-
gard to Loose Methods Allowed
at City Primaries.

Charging corruption at the polls in the primaries held last Tuesday, candidates for commissioner who fell a few votes short of nomination for the final election Tuesday, April 20, are today seriously considering asking a recount before the county court.

From an interview this morning with one of the candidates whose total vote was but slightly under the eighth man selected, it is believed that this matter will be taken up tomorrow and according to statements made by him, any cause for criminal action which will grow out of the recount, if it is ordered, will be prosecuted through the state's attorney's office.

Bad in Eighth.

One of the candidates who is urging the recount, said this morning: "Forty affidavits which were made to swear in voters in the eighth precinct, fail to give the street address of the voter. Half of this number were women voters. Five were made out for men who gave their residence at a certain livery stable in this city. I had a talk with the owner of the stable following and he asserted that but one man, an employee, kept his residence there."

The eighth was the worst in the city. The tenth was bad enough, too, and from what we learned there was more or less corruption at many of the precinct polling places."

May Go to Court.

In order to recount the vote, proceedings will have to be started in county court. When the judges get through counting the votes on the evening of the election, the ballots are strung on a wire and sealed. Then they are placed in a canvas bag, which also is sealed. The canvassing board composed of the mayor, city clerk and city attorney, see only the tally sheets and certificates. The seals on the bag and wire can be broken only in county court, where if a recount is taken, the judge and a jury of 12 men will have the final say as to the legality of each vote.

The list of entries from this city were mailed to Coach Omer of the Northwestern university for the big track and field meet to be held at Evanston on March 26-27, this morning by Captain "Happy" Miller of the local high school track team.

Butler is entered in the 60 yard dash, 60 yard high hurdles, broad jump. The entire track squad is entered for the mile relay, five men participating in this event. The other entries are:

Jones—440 yard dash.

McGinnis—60 yard dash, 440 yard dash.

Thomas—880 yard run, 1 mile run.

Miller—(Capt.), mile run, 880 yard run.

Wilson—440 yard dash.

Hinkley—Relay.

Hendrickson—High jump.

A meeting of all track men will be called for this afternoon by Captain Miller and Coach Roe, and strict training will begin. Although somewhat handicapped by the loss of Dean Ingalls, Islander star sprinter, the locals expect to "hang it on" all their competitors during the coming track season. Coach Roe expects to send a team to all the big meets in Illinois and Iowa, and will no doubt make a great showing in all of them.

The final game in the grade school boys' tournament will be staged tonight in the high school gym when the Lowell quintet will meet the Lincoln squad for the city championship.

STRECKFUS DIRECTORS ARE HOLDING MEETING

Captain John Streckfus and his son, Captain Joseph Streckfus, of the Streckfus steamboat lines, stopped off in the city today, enroute from St. Louis to St. Paul. A directors' meeting of the Streckfus lines will be held this afternoon at the offices of H. H. Cleaveland in the Robinson building. Captain W. A. Blair, Captain Streckfus and son Joe leave tonight for St. Paul where they will take up matters relative to the levee in that city.

LODGE NOTES.

The Trobadours Concert company will appear Friday evening before the members of Rock Island lodge No. 658 A. F. & A. M. Following the program dancing will be enjoyed.

A special convocation of Rock Island chapter No. 39, R. A. M., will be held tomorrow evening at 7:30. Four candidates will receive the mark master degree.

Grocers to Meet.

The regular monthly meeting of the Rock Island Retail Grocers' association will be held this evening at the Business Men's association rooms in the Safety building. As far as could be learned, only routine matters are to come up.

One Brand.

"Mary," queried the teacher, "can you tell me what human nature is?"

"Yes, ma'am," was the reply. "It's people before they get into society."

The two men and the women were arrested in a house Saturday night near Twenty-sixth street and Fifth avenue by Officer Furlong.

A woman was found lying in an unconscious condition at midnight last night in front of her home at Fifth avenue and Sixteenth street. She was badly beaten and bruised up and her clothing torn in many places. When she regained her senses she told a blood curdling story of an attempted assault by a man who forced his way into her home. The only description of the man she was able to give was that he was heavy set. With this meagre clue the local authorities are working to apprehend the alleged assailant. The police refused to discuss the case and stated that no arrests had been made in this direction.
